## TECHNICAL SKILLS

Languages&Frameworks: JavaScript (ES6+), Java, C; React.js, Node.js, Express, HTML5, CSS3

Tools & Platforms: AWS (EC2, S3), Git, GitHub, MongoDB, RESTful APIs, Figma, Photoshop

## EXPERIENCE

WebDevelopment Intern, InternPe (Ghaziabad) - Jun 2024 - Aug 2024 - Developed front-end features using React.js and HTML/CSS, enhancing site UI and improving page load times by 15%.

- Implemented back-end services with Node.js/Express, integrating RESTful APIs for dynamic content delivery.
- Utilized AWS (EC2, S3) for asset storage and deployment, increasing scalability.

Freelance Web Developer and graphic designer at Upwork - Jan 2025 - Present - Completed 5+ full-stack projects (React.js, Node.js, AWS) for various clients, achieving 5-star ratings and positive feedback.

- Developed responsive e-commerce and portfolio websites, translating client requirements into modern UIs (using Figma designs).
- Maintained code repositories on GitHub, ensuring documentation and version control.
- Communicated effectively with clients to gather requirements and adapt solutions, demonstrating strong interpersonal

## PROJECTS

### 1.AI-Powered Portfolio Website

Developed a dynamic portfolio using Next.js, Tailwind CSS, and OpenAI API featuring a smart chatbot and server-side rendering. Deployed on Vercel.

### 2. Job Tracker Dashboard

Built an interactive job application tracker with React, Redux Toolkit, and Firebase, featuring data visualization through Recharts and responsive UI with Material UI.

### 3. Modern E-Commerce Store

Created a responsive e-commerce site with React, Context API, Stripe API, and Tailwind CSS, including real-time cart, filters, and checkout.

### 4. Social Feed Web App (Instagram Clone)

Engineered a photo-sharing app using Next.js, Firebase Storage, and Cloudinary, with features like lazy loading, infinite scroll, and auth.

### 5. Technical Blog Platform

Developed a markdown-based blog platform with Next.js, MDX, and Tailwind CSS, optimized for SEO, accessibility, and fast loading with SSG.
